| Final Verdict     | HIGH RISK                                                        |
| Risk Score        | 64/100                                                           |

## 1. Executive Summary

|                    |           |
|--------------------|-----------|
| Sample Analyzed    | Code.exe  |
| Risk Score         | 64/100    |
| Verdict            | HIGH RISK |
| Total YARA Matches | 9         |

### Overall Assessment:

The sample raised indicators of potentially suspicious behavior. Anti-analysis techniques and unexpected imports are present, warranting manual inspection and validation.
