| Final Verdict     | SUSPICIOUS                                                       |
| Risk Score        | 37/100                                                           |

1. Executive Summary

|                    |                         |
|--------------------|-------------------------|
| Sample Analyzed    | Wireshark-4.6.6-x64.exe |
| Risk Score         | 37/100                  |
| Verdict            | SUSPICIOUS              |
| Total YARA Matches | 3                       |

Overall Assessment:

The sample raised indicators of potentially suspicious behavior. Anti-analysis techniques and unexpected imports are present, warranting manual inspection and validation.
